

WEB CONSENT FORM

Permission to Cover the Duration of the Student's Schooling at: Gladeview Christian School

Dear Parents:

At Gladeview Christian School we take the issue of child safety very seriously, and this includes the use of images of students. Including the images of pupils in school publications and on the school website can be motivating for the children involved, and provide a good opportunity to promote the work of the school. However, schools have a duty of care towards children, which means that students must remain unidentifiable, reducing risk of inappropriate contact, if images are used this way.

We ask parents consent to the school taking and using photographs and images of their children. Any use of student images at Gladeview Christian School will be done in accordance to our school website/printed publications safety policies. We will never include the full name of the pupil alongside an image. Please note that this policy does not apply to the yearbook, as it is made available to parents.

Please complete, sign, and return this form to the school's business office.

I consent to photographs and digital images of the child named below, appearing in Gladeview Christian School printed publications or on the school website. I understand that the images will be used only for educational purposes and that the identity of my child will be protected. I also acknowledge that the images may also be used in and distributed by other media, such as CD-ROM, as part of the promotional activities of the school.
